

Raves for Mitzvahman!

Ilene Berman

“You are sheer joy to work with. Our photo shoots leading up to our B’nai Mitzvah were so creative and unique- from incredible portraits at Piedmont Park to fun and funky photos in downtown Atlanta for a true urban feel. You always had new ideas and you kept the children interested and enthusiastic. They really looked forward to working with you which is a true accomplishment with 12 and 13 year old kids. Many of our friends have hired Joseph and are as delighted as we are!”

“Thank you so much for the amazing photos! We had high expectations after seeing your work and you surpassed them! The Shabbat photos captured the love and happiness we felt seeing all of our out of town guests and family and the party photos really show the excitement on the dance floor! The most meaningful photos were the ones of Katie and my parents- they have a special bond and that came through in every image. We’ll see you at Will’s Bar Mitzvah in a couple of years!”

“Joseph’s style is original and fresh! I was so fortunate to have our weekend captured through his photos. His portraits of my daughter are amazing and each one looked better than the one before! He fit right in with us during the entire weekend and we felt like he was a member of the family! I highly recommend him!”

“I just finished looking at all the pics full-size and they are AWESOME! I wrote down the last four numbers of those that might be good for New Years cards....thanks and I can't wait to see what else you have....you are a ROCK STAR!!”

Robin Zusmann

“Absolutely wonderful to work with! You took great photos and you made everyone feel comfortable working with you. You understood my vision for how I wanted photos incorporated into my son’s Bar Mitzvah and you did everything you said you would...and more!”

“Joseph you are truly a mensch! Thank you for everything you did to make Sarah’s Bat Mitzvah special. You are first and foremost a fabulous photographer and you worked really hard to make every photo special! Sarah’s portraits for the signing board were so spectacular! You have a calm and easygoing nature that allowed you to capture Sarah at her best- even in freezing temps! Most of all, thank you for being so easy to work with- I would gladly recommend you to anyone planning a Mitzvah!”
